

PRESS RELEASE

Seregno, 22nd June 2011

Up to July 1st

«BE PART OF IT» TAKES OFF

Beginning of the internship for students of «Levi» and «Bassi» high schools to take part in the organisation of the «Pozzoli» Competition

(WT – Seregno, June 22nd) This is the first week of work for seventeen students coming from the technical, industrial and linguistic high school (ITSCG and PACLE) «Primo Levi» and from «Martino Bassi» high school. The internship belongs to the project “**Be part of it**”, which has the aim to involve the world of school – teachers, parents and above all students – in the organisation of 27th edition of the **International Piano Competition “Ettore Pozzoli”**.

*«With this internship, explains **Vito Potenza**, Municipal Councillor to the Budget and Internal Services, students will be the centre of the Competition: they will work in the organisation and thus have an active role in promoting and organising the Competition and understand how such a complex event works.»*

The setting of the internship, which takes place from June 20th to July 1st and earns the students school credits, will be the «**Pozzoli Village**», at «Museo Vignoli» (via Santino de Nova).

This morning, Tuesday, July 20th, the Mayor **Giacinto Mariani** welcomed the students to Palazzo Landriani – Caponaghi.

About twenty other students will undertake internship between July 4th and 15th.

Interns. **ITSCG e Pacle «Primo Levi»**: Caterina Anghelone, Olha Rozsokhach, Gaia Compagni, Elisa Arosio, Gloria Lacquaniti, Sabrina Filippazzo, Erika Uccelli.

«Martino Bassi» High School: Davide Casano, Maela Cattaneo, Daniele Ciocchi, Ilaria Crafa, Francesca Grasso, Luca Greco, Elena Guidi, Sara Pozzati, Silvia Zoia.
